The raffle draw took place on Thursday 5th September at Sykes Cafe. Sarah drew the winning tickets aided by Friend Noel who was unable to attend the Macmillan Coffee Morning.

First prize winner (hand-crafted Christmas Stocking) was Jake Ashworth, 2nd prize to Mr Eamonn O'Neill (Houses of Parliament Whisky), and 3rd prize of gift wrapped prosecco to Dave Wilson.

Jake is a Friend and grandson of Dot & Dave

Mr O'Neill lives in Heaton Chapel and has a great interest in Reddish and its history.

Dave is a Friend and Cllr for Reddish North.

The Vernon Building Society funding awards

The Friends were delighted when the Vernon Building Society contacted our Dot to inform her that we had been successful in the annual funding awards for local community groups and charities.

We were awarded £200 which we plan to spend on updating our banners, which are now

looking rather dated.

Lyndsy, the branch manager is pictured here presenting the award to Treasurer Dot.

We thank the Vernon very much for this welcome addition to our funds. The Vernon have been long-time supporters of the Friends.

The RHS Britain in Bloom North West Awards

The Friends entered, for the first time this year, the 'It's Your Neighbourhood' section of the annual Royal Horticultural Society North West in Bloom awards. The presentations were held on 17th October 2023.

As you may recall, we reported that the station platform garden had been visited in July by RHS Judge David Bielewski, who said at the time he thought the planting was good and very appropriate for the station. He also asked us about the history of the station and how the group became involved

We were invited to the awards ceremony which took place at Bolton Football Stadium Premier Suite, where we enjoyed lunch and the chance to meet other groups.

We were seated with the Friends of Waterloo Park (FoWP) from Ashton-u-Lyne who had entered for the first time last year.

They advised that there were 5 award levels—they had achieved level 3 last year and were

hoping for a level 4 this year, so we had no idea of where we would be placed.

To our utter astonishment and delight we were awarded 'Level 5 - Outstanding' at our first attempt. The Friends of Waterloo Park were similarly delighted to achieve level 5 too.

The awards were presented by Jason the Cloud Gardener.

As Judge David said afterwards, all we have

to do now is 'Keep it up'!

We must thank Committee member Noel for his vision for the planting on the station—without him we would not achieved so much!

We've included a picture of Bolton Football pitch for those of you who would be interested, plus the 'Lion of Vienna', Nat Lofthouse, who is obviously the hero at the club.

MP visits Reddish South Station

The Friends were visited by Stockport MP Navendu Mishra (Nav) in September who wished to meet the group and see the station.

At the next election the parliamentary boundaries are changing, which means Reddish will be, sadly, losing Andrew Gwynne who has been our biggest supporter and campaigner since we started out. However, he is the Friends' President and will still be representing Denton.

Should Nav be re-elected he will be the new Reddish MP so he wanted to see the group as he had spoken to Andrew about the work of the campaign.

We had a very pleasant visit and Nav has pledged to carry on working for the campaign in the future.

Fantasy Football League

Manager of the season 2022/3

The honour of winning the FFL FORSS league for 2022/23 is Mr Pete Holmes.

Pete, who has been in the league since the start, has always been in the top 5, but this is the first time since we introduced a trophy (it is an actual cup, but we are a voluntary group!!)

Pete was surprised and delighted to receive the cup and has placed it in pride of place with trophies from his other great love, golf.

We met with him and his lovely wife Janet for lunch and the presentation.

When asked about the secret of his success, Pete, with typical modesty, said

that it was a really lucky run in the last 10 games or so that won his team the league.

He is hoping to emulate his success this season, but feels that with such strong competition this year he may not manage it.
